Non-Standard Variety Silkies

Non-Standard Variety refers to silkie varieties that are not recognized by the ABA, APA, or ASBC. These varieties can be judged but are not eligible for the distinction of Best or Reserve Best of Breed. All nonstandard varieties can be judged against each other for the distinction of Best and Reserve Best NSV. It is the exhibitors' responsibility to ask the judge to award Best and Reserve Best NSV.

	# of Birds	Best NSV Exhibitor #	Variety	Reserve NSV Exhibitor #	Variety
Non-Standard Variety
